Hello Franklin Families!

We have almost made it to the end of our school year. The students and the teachers are counting the days. Here is a list of some fun ideas for students and families to do this summer:

- Build a fort around the living room. Use blankets, sheets, pillows and other things to make places to hide under.
- Build a Lego castle. Clear off a table and make it a family project. Keep it up and work on it over several days.
- Have a camp in. Put out sleeping bags inside and have a slumber party.
- Have a puzzle race. Get 2 different 100 piece puzzles. Divide the family up into two teams and see which team finishes their puzzle first.
- Get the whole family together and read a chapter of a book every day aloud. Take turns reading.

More fun activities next week -

Please check your child's backpack for homework each day and send it back so it can be graded.

Remember to send water bottles with your children. They can be refilled from our filtered water drinking fountains.

Preschool hours are from 7:45-3:00 pm.

Please do not pick up students early from school unless absolutely necessary.

2023-2024 Enrollment forms going home. Please fill out and return ASAP.
